

Veterinary clinic cleaning: what we clean

Walk the practice and mark rooms that are off limits or need your staff's go-ahead.

Practice _____ Address _____

Walked by _____ Date _____

Waiting room and check-in

- ☐ Fur vacuumed from seat seams and under benches
- ☐ Reception counter, card terminal and pens
- ☐ Platform scale
- ☐ Dog and cat waiting areas as separate rooms
- ☐ Diet and treat shelves dusted
- ☐ Entry glass inside and out
- ☐ Floor cleaned to the baseboards

Exam rooms

- ☐ Exam table, counters and sink
- ☐ Cabinet pulls and door handles
- ☐ Floor last, in your team's order
- ☐ Disinfectant left wet for the label dwell time
- ☐ Full room reset booked after a contaminated case

Treatment, surgery and back halls

- ☐ Rooms entered only as your medical staff decides
- ☐ Counters, cabinet fronts and light switches
- ☐ Equipment, instruments and medications left in place
- ☐ Ward hallways cleaned quietly with staff go-ahead
- ☐ Grooming area floor and wall splash zone

Front office and pharmacy window

- ☐ Desks dusted around paperwork
- ☐ Monitors and keyboards wiped, screens untouched
- ☐ Phones, headsets and printers
- ☐ Pharmacy pickup window
- ☐ Locked cabinet doors wiped, floor in front cleaned

Staff areas, restrooms and floors

- ☐ Break room counters, microwave and refrigerator front
- ☐ Locker area
- ☐ Client and staff restrooms scrubbed and disinfected
- ☐ Paper and soap refilled
- ☐ Liners pulled and lids wiped inside
- ☐ Periodic scrub or VCT strip-and-refinish
